

Commemorating the 60th Anniversary of the Nakba

فَنَائِلِمْ، وَنَدْرَ الْبِلَادِ تِلْوَ تَنَامْ وَتَمَعُو عَلَيَّ خَيْرِنَا

The Palestinian Community Association calls on all members and supporters to participate in the event marking the 60th anniversary of the Palestinian Nakba,

3:30pm - Thursday 15th May 2008
State Library square - Melbourne

Al-Nakba, the event that led to the dispossession of the Palestinians, turned the indigenous people of Palestine into refugees around the world, to make room for another people and the establishment of the state of Israel.

A number of public education activities will take place on the day to advance understanding of the Nakba. They will include:

- “**We R on the Map**”, live activities to return the ethnically cleansed and destroyed Palestinian towns and villages of 1948 to the map of historical Palestine.
- Dabkeh performance by the Palestinian Community dance troupe “El-Rozana”
- Two Palestinian documentaries screening at 7:30pm, RMIT Capitol Theatre, 113 Swanston Street.

Bring your children along to learn about the Nakba and the geography of Palestine that was erased by Zionists in 1948. The world should know that Palestine was never "a land without a people".

Please bring along your Palestinian flags, banners to remind people of our right of return, wear traditional Palestinian dress and put your koffiyehs on.
