

**Palestinian
Community
Victoria**

Palestinian Community Association of Victoria

Services Provided by PCA

- Organizing social & cultural activities
- Representation at forums and conferences
- Collaborating with other communities
- Preserving our culture and heritage and sharing it with the wider community
- Empowering women to have a more visible role in the community
- Providing assistance and leadership training
- Assisting new arrivals and refugees in settling and integrating with the wider community
- Organizing activities for the youth that focus on improving their health and confidence
- Work closely with Victorian councils and the department of Multicultural Commission on implementing programs and activities that benefit the Australian Palestinian Community
